

Erratum in: “Deep Density Estimation for Cone Counting and Diagnosis of Genetic Eye Diseases From Adaptive Optics Scanning Light Ophthalmoscope Images” by Santiago Toledo-Cortés, Adam M. Dubis, Fabio A. González, and Henning Müller (*Transl Vis Sci Technol.* 2023;12(11):25), <https://doi.org/10.1167/tvst.12.11.25>.

The sentence “The study adhered to the tenets of the Declaration of Helsinki, received approval from a National Research Ethics Service (NRES) ethics committee, and was performed with written informed consent from all participants” has been added to the Experimental Setup section of the Methods section in the article online.
